4.0 Chairperson's Report: (see full copy)

Presented by Glenda Wilson

Glenda was very appreciative of the time and effort that board members dedicate towards making the Camp a better organisation. We are most fortunate to have an excellent working collaboration between board and Patrick our Executive Officer.

The day to day onsite operation continues to be a warm and inviting place to stay and that is due to our long serving and dedicated staff to whom I am most thankful and we look forward to a fulfilling 2011.

Acceptance of Chairperson's Report:

Moved: Anu Ravindran

Second: Paul Weight

5.0 Audited Financial Report @ 30/06/2008: (see full copy)

Presented by Patrick O'Sullivan

The trading outcome for the financial year resulted in a deficit of \$60,593.

This can be attributed to an abnormally high number of cancelled camps from schools:

2 Bush Fire affected schools from the Marysville and surrounding areas and 9 schools with permanent bookings where it was established that long serving teachers had retired and new incoming teaching staff either had no prior knowledge of existing arrangements or simply chose a different direction. Subsequently we were unable to fill those bookings at late notice and many schools missed out. The office has tightened up booking policy and makes no apology for making schools more accountable when making a booking.

The 2009 deficit \$18,744 was attributed to unexpected and essential expenditure including work to the male ablution block.

Urban Camp has been able to consolidate the financial footing with substantial sums provisioned for both facility maintenance and accumulated Long Service Leave for staff.

Acceptance of Financial Report:

Moved: Anu Ravindran

Second: Paul Weight

6.0 Appoint Auditors, JL Collyer & Partners for 2010

Moved: Paul Weight

Second: Maggie power

Anu had outlined effective governance policy of rotating contracted auditors as matter of managing a fair and independent audit of UC financial records.

We were unable to secure another auditor at the time of this AGM and our present auditor is assisting to find a replacement. Unfortunately our organisation is small scale and more difficult to attract potential auditors.

This will be reviewed for a suitable replacement for 2011

7.0 Election of Directors:

Glenda Wilson, Maggie Power, Tess Reddy & Patrick O'Sullivan's board positions were declared vacant. Nannette Old announced that she was retiring from the board thus another board position became available. Paul Weight filled a vacant position earlier in the year and was eligible to nominate for this vacancy.

Nominations received for 6 vacant positions were accepted from Glenda Wilson, Maggie Power, Tess Reddy, Patrick O'Sullivan, Paul Weight and Sara Raffle

NB: The Co-operative rules allow a maximum 8 board members who serve on a rotational two-year cycle.

Glenda welcomed Sara to the board and outlined her background. Sara expressed her delight at being given the opportunity to participate on the board for such a worthy organisation.

Glenda thanked Nan for her dedication and valued input over the last 8 years considering she has struggled with health issues.

A strong and involved community worker she was able to represent the non school membership on relevant matters and we wish her well in the future.

Nan expressed her enjoyment at serving on the board and saw this as an ideal opportunity to introduce some new 'blood' on the board.

Moved: Jenny Gold
Second: Anu Ravindran

- **Election of Chairperson**

Anu Ravindran was nominated by Glenda Wilson and second by Nan Old

All present were in favour.

Duly elected.

Glenda thanked the board for their diligent and dedicated work in furthering the great work the Urban Camp does for all the groups who travel far and wide to visit Melbourne.

8.0 Other Business:

Meeting Closed: 7.20pm
