

Urban Camp Melbourne Co-operative Ltd Membership

Introduction

Urban Camp membership allows individuals, schools & community groups to book the facility for accommodation or space for meetings and activities at Urban Camp. Members have access to a range of services, information & resources.

Membership

To access camp facilities, it is a requirement that users become Urban Camp shareholders with a single payment of \$10. Individuals can be shareholders of The Camp but users are schools or community groups.

Member benefits and value proposition

All membership applications are assessed on an individual basis and their values need to align with the Urban Camp Cooperative ethos. Memberships are then approved by the Board and valid for perpetuity if actively maintained.

Members of Urban Camp can;

- Book a group to stay at Camp, utilise the services offered and enjoy the City of Melbourne
- Vote at the Annual General Meeting on behalf of your school/group
- Get involved at The Camp – join the board of directors and contribute to the continuing future of this community enterprise

Membership Currency and Expiration

Urban Camp remains successful as an organisation due its active membership base. An active member is an individual or group who has interacted and/or booked services at Urban Camp within a four year period. If, after four years, a member has not engaged in any activity with Urban Camp, the member will be contacted and membership will expire if no longer required. This is to ensure that the membership base is a fair representation of the business, current and accurate. The \$10 share will be refunded to the member if no longer required.

Member Communication

Urban Camp is committed to ensuring Members are abreast of organisational change, facility upgrades, community news and camp insights. As such the official website urbancamp.org.au is regularly updated with new information and the Annual Report is available to all members and is presented in short at the Annual General Meeting (AGM) in November of each year.
